

ESOP MANAGING DIRECTORS

National business valuation consulting and financial advisory firm seeks an ESOP valuation analyst at the managing director level.

Our practice includes employer security valuation and transaction opinion analyses related to: leveraged and unleveraged ESOP formations, ESOP feasibility, adequate consideration and solvency opinions, fairness of merger or acquisition tender offers, ERISA compliance and litigation support, ESOP financing or refinancing, plan terminations, and employer stock appraisals for periodic employee redemptions.

To accommodate our practice growth, we need ESOP valuation managing directors in our offices in Washington, DC, Atlanta, Chicago, and Portland, OR. Our managing directors typically hold MBA, CPA, and CFA credentials. We seek professionals with substantial levels of practice management, client service, and business development experience. Our managing directors enjoy unlimited career development opportunity and considerable practice management independence. We offer competitive compensation and comprehensive employee benefits. And, we offer the opportunity to work with the thought leader in the ESOP valuation profession.
