ROBERT F. REILLY NAMED THE AICPA BUSINESS VALUATION VOLUNTEER OF THE YEAR

Chicago, IL (December 2005) — The American Institute of Certified Public Accountants (AICPA) Business Valuation section awarded Robert F. Reilly, a managing director at Willamette Management Associates, a leading national independent financial valuation and financial advisory firm, their *Volunteer of the Year Award*. The announcement was made during the AICPA/ASA joint conference in Las Vegas in November 2005.

The AICPA Business Valuation Volunteer of the Year Award recognizes individuals that have, during service as AICPA committee, subcommittee or taskforce members, through their extraordinary efforts during the last 12 months, advanced the AICPA's Accredited in Business Valuation credential.

“The CPA profession has a significant profile in the business valuation community,” said Anat Kendal, AICPA Director—Financial Planning. “It’s through the impressive and tireless contributions of people like Robert Reilly that CPAs are increasingly called upon for their business valuation expertise.”

“I am honored to be presented this award,” said Reilly. “I feel that one should always contribute back to one’s profession as much as one is able to.”

About Willamette Management Associates

For more than 35 years, Willamette Management Associates has been recognized as a premier professional services firm in the disciplines of business valuation and security analysis, intangible asset and intellectual property valuations, forensic accounting, economic damages/lost profits analysis, and financial advisory services. With offices in principal cities across the country, we serve clients nationwide. Our clients range from substantial closely held companies to multinational corporations and include the banking industry, the accounting profession, the legal community, and government and regulatory agencies.
