Royalty Rates

Royalty Rates (cont.)

- Royalty Source Intellectual Property Database, www.royaltysource.com—AUS Consultants has a database that provides IP royalty rates. The database can be searched by industry, technology, and/or keyword. Results are sent via fax or email.

- RoyaltyStat, LLC, www.royaltystat.com. RoyaltyStat is a subscription-based database of royalty rates and license agreements, compiled from SEC documents. It is searchable by SIC code or by full text. Results can be viewed online or archived. The full text of each license agreement is available.
